## WATCH THE CHILDREN'S BOWELS

If Cross, Sick, Feverish, Bilious or Tongue Coated Give Delicious "Syrup of Figs."

No matter what ails your child, a gentle, thorough laxative, physic should always be the first treatment given.

If your child isn't feeling well; resting nicely; eating regularly and acting naturally it is a sure sign that its little stomach, liver and bowels are filled with foul, constipated waste matter and need a gentle, thorough cleansing at once.

When cross, irritable, feverish, stomach sour, breath bad or your little one has stomach-ache, diarrhoea, sore throat, full of cold, tongue coated; give a teaspoonful of Syrup of Figs and in a few hours all the clogged up waste, undigested food and sour bile will gently move on and out of its little bowels without nausea, griping or weakness, and you will surely have a well, happy and smiling child again shortly.

With Syrup of Figs you are not drugging your children, being composed entirely of luscious figs, senna and aromatics it cannot be harmful, besides they dearly love its delicious fig taste.

Mothers should always keep Syrup of Figs handy. It is the only stomach, liver and bowel cleanser and regulator needed—a little given today will save a sick child tomorrow.

Full directions for children of all ages and for grown-ups plainly printed on the package.

Ask your druggist for the full name—Syrup of Figs and Elixir of Senna, prepared by the California Fig Syrup Co. This is the delicious, reliable, genuine old reliable. Refuse anything else offered.—Advertisement.

## CONSUMPTION'S HEAVY DEATH TOLL GROWING

20,000 CASES IN THE STATE OF VIRGINIA.

OVER 5,000 DEAD LAST YEAR  
Consumption Can Be Cured if Treatment Begins in Time—Watch Telegram for Important Information.

There are 20,000 cases of consumption in the State of Virginia. There were 5,000 deaths from consumption alone last year.

Ten people die from it to one of any other disease. What are you doing to keep it out of your family?

There are ten cases cured that are taken in early stages to one that is cured when taken later. Has any member of your family got a cough which does not yield to treatment? Have they night sweats? These are all good symptoms. Don't wait. You can't afford to! The Virginia State Bulletin says:

"Consumption can be cured by taking it in time. You will say how can I take up the treatment of consumption in time?"

By the kindness of the Telegram we will try and explain to you in the next serial issues of this paper how it can be done and will give you the names of people in different parts of the country who have tried it and are recommending it. Dr. John D. Bear, Elkton, Va. Sold and recommended by all druggists in Clarksburg and the Johnson Pharmacy at Shinnston.—Advertisement.

Mrs. J. M. Coburn and son, Harvey, will go to Weston Wednesday to spend Thanksgiving with her mother. They will return Monday.

Here is a woman who speaks from personal knowledge and long experience, viz. Mrs. P. H. Bogan, of Wilson, Pa., who says, "I know from experience that Chamberlain's Cough Remedy is far superior to any other. For cough there is nothing that excels it." For sale by all dealers.—Advertisement.
